Product	Anti-Coli O 114:K 90
Catalogue no.	TS 2208
Package size	1 ml
Lot no.	8140918
Expiry date	2023-09
Intended use	Anti-Coli O 114:K 90 records all <i>E. coli</i> strains that contain the antigen O 114:K 90 in slide agglutination. In the Widal reaction the serum reaches a titre of 1:800 (tube and MTP) with the homologous <i>E. coli</i> strains; deviations of ± 1 titre step are acceptable.
Specificity	Since unspecific co-agglutinations with other <i>E. coli</i> strains often occur in the slide agglutination test, a positive result in the slide test must always be confirmed by examination of the boiled <i>E. coli</i> isolate in the Widal test.
Preservatives	Sodium azide 0.9 mg/ ml
Storage	2 °C...8 °C
